**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

There's a greater need for an open market of choices for the consumer. Limited access doesn't allow for those who are seeking affordable services and quality that will satisfy what the consumer needs. Maintain a comparative market of services that will be competitive such that everyone can have access.
